16 LITERARY ICON: SPRĪDĪTIS Sprīdītis, a young boy from a Latvian peasant family, runs away from his abusive stepmother in search of happiness and treasure. He embarks on a fantastical journey filled with magical beings and challenging tasks, aided by a magical pipe, stick, and ring. Sprīdītis confronts the sons of the Wind Mother, frees children held captive by a giant, and ultimately defeats the Devil to win the hand of Princess Zeltīte. Ultimately, he realizes that happiness was at home all along.
